## Principal's Message

The staff of Kings River- Hardwick School District welcomes you to our unique charter school. Nestled in the shade of orchards and fields, this pristine campus retains the flavor of its rural roots, while offering students a rigorous and broad curriculum. "Teaching students to lead the way", the vision statement created by parents, students, and staff, expresses the shared belief that a combination of learning and leadership opportunities will prepare students for their future. Our staff of highly qualified teachers perform as a concerted team to support the learning goals of each student. A tradition of high expectations and graduates prepared for high school and beyond speak to the professional training and qualifications of teachers as well as the strength in classified support staff. All staff members are involved in reviewing data and planning for the success of each student. Grade levels make use of standards-based benchmark assessments and common tools such as the "Step-up to Writing" program to provide aligned instruction and assessment expectations.

Students have the advantage of enrolling in a variety of music and art courses, designed to support academic success as well as provide a foundation of fine arts education. In addition, students may join campus clubs, compete on academic and athletic teams, and serve as officers and peer mediators. All graduating students devote time to improving their community as willing volunteers. All students benefit from a close school and family connection. The many opportunities for parent volunteers are eagerly filled. Parents provide significant financial support to the district each year, allowing students to enjoy field trips and activities that would not otherwise be possible. A stable and supportive Board voices the foundation for our school with its core values:

- A focus on student success
- Assurance of the long-term financial stability and viability of the district
- The mutual responsibility of the district and teachers to students and parents

## Mission Statement

It is the mission of the Kings River-Hardwick School District to ensure that all students acquire the knowledge, skills, and attitudes necessary to realize their full potential and become productive citizens. In addition, the District acknowledges the central role of the school in the rural community, and is committed to developing a spectrum of education, cultural, and social programs and services to respond to the needs of our communities and equal to the challenges of the next century.

## School Profile

Kings River-Hardwick Elementary School is located in the northern region of Hanford and serves students in grades transitional kindergarten through eight following a traditional calendar. At the beginning of the 2013-14 school year, 750 students were enrolled, including 7.9% in special education, 9.6% qualifying for English Language Learner support, and 33.9% qualifying for free or reduced price lunch.

## Standardized State Assessments

Students at Kings River-Hardwick Elementary School participate in California's STAR examination each year. The mandatory STAR Program (Standardized Testing and Reporting) is a set of assessments that evaluates student proficiency in core subject areas and compares student results with other students in the state who took the same test. The STAR is comprised of a series of four components: the California Standards Tests (CST), the California Alternative Performance Assessment (CAPA), the California Modified Assessment (CMA), and Standards-based Tests in Spanish (STS). The STAR tables in this report illustrate the percentage of students achieving Proficient and Advanced levels of proficiency through fiscal year 2012-13. Beginning in 2013-14, students at Kings River-Hardwick Elementary School participated in the new statewide student assessment system program identified as CAASPP, California Assessment of Student Performance and Progress. For the 2013-14 school year, the CAASPP reports results for the CAPA science test given in grades five, eight and ten only.

Results are shown only for subgroups with ten students or more taking the exam. Detailed results by grade level for each student group can be obtained from the California Department of Education's website <http://star.cde.ca.gov>.

## Physical Fitness

In the spring of each year, Kings River-Hardwick Elementary School is required by the state to administer a physical fitness test to all students in grade five and grade seven. The physical fitness test measures each student's ability to complete fitness tasks in six major areas. Students who either meet or exceed the standards in all six fitness areas are considered to be in the "healthy fitness zone." The chart disclosed in this document reports only the percentage in each category, not a cumulative total of the results for categories 4 of 6 and 5 of 6. Comparative district and state results can be found at the CDE's website.

Physical Fitness Test Percentage of Students Meeting California Fitness Standards 2013-14

*Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.*

## Academic Performance Index

California uses the results of STAR testing to calculate the Academic Performance Index (API) which is used to measure school performance, set academic growth targets, and monitor progress over time. The API is a numeric index between 200-1000 that measures student performance in grades two through eleven. An API score of 800 is the state's designated performance target for all schools. Test results are weighted and a formula is applied to determine API.

**Growth Targets:** For schools with an API under 800, the state requires a gain of 5% of the difference between the school's actual API and 800. Growth Targets apply not only schoolwide, but to each numerically significant subgroup as well. Schools/subgroups that have achieved an API of 800 or above must maintain their scores.

**Statewide Rank:** All schools in California are categorized according to type (elementary, middle, high) and are placed on a scale of 1 to 10, with 10 being the highest.

Similar Schools Rank: School performance is also compared to other similar schools in the state, based on demographic characteristics, and ranked 1 to 10 within a grouping of 100 schools.

### Adequate Yearly Progress

The Federal No Child Left Behind Act (NCLB) requires that all students perform at or above the proficient level on the state's standards based assessment by the year 2014. Meeting Adequate Yearly Progress (AYP) milestones helps determine whether students are reaching proficiency level targets set by NCLB. AYP requires annual evaluation and reporting of the academic progress of all students and defined student subgroups.

On March 7, 2014, the U.S. Department of Education approved California's testing waiver allowing flexibility in making AYP determinations for elementary and middle schools and unified school districts participating in the Smarter Balanced Field Test. CDE will not produce a 2014 AYP report for these qualifying schools and districts. High schools and high school districts will receive a 2014 AYP report based on achievement results from the grade ten California High School Exit Examination (CAHSEE) and California Alternate Performance Assessment (CAPA) as well as the cohort graduation rate.

The AYP table in this report illustrates the school's progress in meeting 2013-14 AYP target rates for applicable schools. More information on AYP can be found on the California Department of Education's (CDE) website [www.cde.ca.gov/nclb/](http://www.cde.ca.gov/nclb/) and the U.S. Department of Education's website [www.ed.gov/nclb/accountability/](http://www.ed.gov/nclb/accountability/).

### No Child Left Behind (NCLB)

The No Child Left Behind (NCLB) Act is part of the Federal Title I funding program designed to support additional staffing and programs to meet the needs of low-income, low achieving students, and other designated students with special needs. Schools may apply, based upon their student demographics, for one of two types of Title I funding: Title I Schoolwide or Title I Targeted Assistance. Title I Schoolwide schools use federal funds for schoolwide improvement of student achievement. Title I Targeted Assistance schools use federal funds to help those students who meet specific program criteria. In 2013-14, Kings River-Hardwick Elementary School qualified for Title I Targeted Assistance funding and is subject to comply with Title I program requirements.

Any school receiving Title I funds is required to comply with respective program testing and reporting activities, achieve specific levels of student proficiency, and monitor school progress towards meeting established goals. California Adequate Yearly Progress calculations determine whether a Title I school has met performance goals. Schools not meeting specific AYP criteria enter Program Improvement, a monitoring system and curriculum enhancement program designed to help schools to increase student proficiency levels. More information about Title I and Program Improvement can be located on the CDE's website [www.cde.ca.gov/ta/ac/ti/](http://www.cde.ca.gov/ta/ac/ti/).

### Local Control Accountability Plan (LCAP)

As part of the new Local Control Funding Formula, school districts are required to develop, adopt, and annually update a three-year Local Control and Accountability Plan (LCAP). The following components of this SARC address some of the priorities identified in the District's LCAP:

Conditions of Learning – State Priority 1: Covered in *Teacher Assignment*, including the Teacher Credentials & Misassignments & NCLB Compliance charts; *Instructional Materials*, including the Textbooks chart; and *School Facilities & Maintenance*, including the Campus Description and School Facility Good Repair Status charts.

Pupil Achievement – State Priority 4: Covered in *Standardized State Assessments*, including the STAR Results and CAASPP charts; *Academic Performance Index*, including API chart; and *College Preparation & Work Readiness*, including the CTE Program Participation and UC/CSU charts.

Other Pupil Outcomes – State Priority 8: Covered in *California High School Exit Exam*, including the CAHSEE charts; and *Physical Fitness*, including the Physical Fitness Test chart.

Parental Involvement – State Priority 3: Covered in *Parent Involvement*.

Pupil Engagement – State Priority 5: Covered in *Dropouts* and in *Graduation Requirements*, including Dropout & Graduation Rates and Completion of High School Graduation Requirements charts.

School Climate – State Priority 6: Covered in *Discipline & Climate for Learning*, including Suspension & Expulsion chart; and *School Site Safety Plan*.

## Parent Involvement

Parents are encouraged to get involved in their child's learning environment either by volunteering in the classroom, participating in a decision-making group, or simply attending school events.

Parents stay informed on upcoming events and school activities through flyers, letters, school newsletters, teacher newsletters, TeleParent (automated telephone message delivery system), and Edline (online student information system). Contact the school office at (559) 584-4475 for more information on how to become involved in your child's learning environment.

## School Facilities & Maintenance

The district takes great efforts to ensure that all schools are clean, safe, and functional through proper facilities maintenance and campus supervision. Kings River-Hardwick Elementary School's original facilities were built in 1954; ongoing maintenance and campus improvements ensure facilities remain up to date and provide adequate space for students and staff. District maintenance and site custodial staff ensure that the repairs necessary to keep the school in good condition are completed in a timely manner. A work order process is used by school and district staff to communicate non-routine maintenance requests. Emergency repairs are given the highest priority. In the last 12 months, the following improvements have been completed:

- Replacement of roof on portable 20
- Grounded concrete walkways lifted by tree roots
- Painting exterior of room 12 and 13
- Resurface, reseal, and restripe all parking lots and play area blacktop
- Replacement of HVAC unit in room 20
- Replacement of flooring in restrooms at the end of room 55
- Replacement of stall dividers in boys restrooms at the end of room 55 and at the end of wing two

Every morning before school begins, the Director of Maintenance inspects facilities for safety hazards or other conditions that need attention prior to students and staff entering school grounds. Two day custodians and two evening custodians are assigned to Kings River-Hardwick Elementary School. The day custodians are responsible for:

- Classroom cleaning
- Cafeteria setup/cleanup
- Groundskeeping
- Restroom cleaning

Restrooms are checked throughout the day for cleanliness and subsequently cleaned as needed. The evening custodians are responsible for:

- Classroom cleaning
- Office area cleaning
- Restroom cleaning

The superintendent/principal communicates with custodial staff daily concerning maintenance and school safety issues.

### Deferred Maintenance

Kings River-Hardwick Elementary School participates in the State School Deferred Maintenance Program, which provides dollar-for-dollar matching funds to assist school districts with major repairs or replacement of existing school building components. Deferred maintenance projects generally include roofing, plumbing, heating, air conditioning, electrical systems, interior/exterior painting, and floor systems. During the 2013-14 school year, Kings River-Hardwick Elementary School received \$59,058 in deferred maintenance funds for the general maintenance and repair of air conditioning and plumbing.

### Facilities Inspection

The district's maintenance department inspects Kings River-Hardwick Elementary School on an annual basis in accordance with Education Code §17592.72(c)(1). Kings River-Hardwick Elementary School uses a school site inspection survey to identify unsafe or hazardous conditions and facility improvement needs. The most recent school inspection took place on Wednesday, October 01, 2014. Deficiencies noted in the school inspection survey were corrected immediately by the district's maintenance department. During fiscal year 2013-14, all restrooms were fully functional and available for student use.

**Campus Supervision**

School administration and teaching staff place a high priority on providing adequate adult supervision on campus before, during, and after school. As students arrive on campus each morning, teachers, yard duty supervisors, and the school resource officer patrol the campus, entrance areas, and designated common areas. During recess, yard duty supervisors and the school resource officer supervise playground activity. Yard duty supervisors and the school resource officer monitor lunch time activity in the cafeteria and common student activity areas. At the end of the day when students are dismissed, yard duty supervisors and the school resource officer monitor student behavior and ensure students either leave campus or travel to after-school activities in a safe and orderly manner.

Kings River-Hardwick Elementary School is a closed campus. During school hours, all visitors must sign in at the school's office and wear identification badges while on school grounds.

**School Site Safety Plan**

The Comprehensive School Site Safety Plan was developed for Kings River-Hardwick Elementary School in collaboration with local agencies and the district office to fulfill Senate Bill 187 requirements. Components of this plan include child abuse reporting procedures, teacher notification of dangerous pupil procedures, disaster response procedures, procedures for safe arrival and departure from school, sexual harassment policy, and dress code policy. The school's most recent school safety plan was reviewed, updated, and discussed with school staff in August 2014.

**Classroom Environment**

**Discipline & Climate for Learning**

Kings River-Hardwick Elementary School's discipline practices and behavior management strategies comply with approved board policies and are designed to create effective learning environments and minimize classroom disruptions. Progressive discipline and proactive measures are employed in the classroom for those

students experiencing difficulty following school rules and demonstrating positive behavior. Disciplinary intervention is managed by school administrators in a fair, firm, and consistent manner based upon the nature of each situation.

# Curriculum & Instruction

## Staff Development

All training and curriculum development activities at Kings River-Hardwick Elementary School revolve around the California Common Core State Standards. During the 2013-14 school year, Kings River-Hardwick Elementary School held staff development training devoted to:

- Common Core State Standards in English Language Arts and Mathematics
- Google Training
- iPad Development Training
- Rick Morris Behavior Management Workshops
- Science, Technology, Engineering and Math (STEM) Workshops

Decisions concerning selection of staff development activities are performed by all staff using tools such as teacher input and data analysis to determine the areas in which additional teacher training may enhance classroom instruction and increase student achievement levels. Kings River-Hardwick Elementary School supports ongoing professional growth throughout the year on minimum days. Teachers met in both grade level and department level teams to conduct data analysis to identify areas of need.

Kings River-Hardwick Elementary School offers support to new and veteran teachers through peer coaching and mentoring. Instructional aides are provided targeted training focused on teaching strategies and curriculum content. Substitute teachers are invited to participate in designated staff development activities. All staff are encouraged to attend professional workshops and conferences. Classified support staff receive job-related training from department supervisors and district representatives.

## Instructional Materials

All textbooks used in the core curriculum at Kings River-Hardwick Elementary School are aligned to the California Common Core State Standards. Instructional materials are selected from the state's most recent list of standards-based materials and adopted by the State Board of Education. The district follows the State Board of Education's six-year adoption cycle for core content materials (English/language arts, math, science, and social science).

On Tuesday, September 09, 2014, the Kings River-Hardwick Union Elementary School District's Board of Trustees held a public hearing to certify the extent to which textbooks and instructional materials have been provided to students. The Board of Trustees adopted Resolution #09-09-14-00 which certifies as required by Education Code §60119 (1) that textbooks and instructional materials were provided to all students, including English learners, in the district to the extent that each pupil has a textbook or instructional materials, or both, to use in class and to take home, and (2) sufficient textbooks and instructional materials were provided to each student, including English learners, that are aligned to the academic content standards and consistent with the cycles and content of the curriculum frameworks in math, science, history-social science, and English/language arts.

In addition to core subject areas, districts are required to disclose in their SARCs the sufficiency of instructional materials used for their visual/performing arts curricula. During the 2014-15 school year, Kings River-Hardwick Union Elementary School District did not offer visual/performing arts classes and therefore did not require the distribution of respective textbooks and instructional materials.

## Professional Staff

### Counseling & Support Staff

Kings River-Hardwick Elementary School provides professional, highly qualified staff that provide additional services and support centered on the whole student academically, physically, and mentally. The Counseling and Support Services table in this report illustrates the availability of non-instructional support staff to Kings River-Hardwick Elementary School's students. Full-time equivalent (FTE) is a standard measurement used to identify an employee's regular work load on a weekly basis. For example, an FTE of 1.0 designates a full-time position and the employee is on campus and available all day every day of the week; an FTE of 0.5 indicates that the staff member is available and on campus a portion (50%) of the week.

Note: One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

### Teacher Assignment

During the 2013-14 school year, Kings River-Hardwick Elementary School had 33 teachers who met all credential requirements in accordance with state guidelines. The Federal No Child Left Behind Act requires that all teachers in core subject areas meet certain requirements in order to be considered as "NCLB Compliant." Minimum qualifications include: possession of a bachelor's degree, possession of an appropriate California teaching credential, and demonstrated competence in core academic subjects. In the table below, which identifies the number of classrooms taught by NCLB-compliant and non-compliant teachers, high poverty schools

are those schools in the highest quartile for student participation defined by the free and reduced price meal program. Low poverty schools are those schools that are in the lowest quartile of program participation.
